

Home health Medicare Solution

Simplify the Medicare Part A revenue cycle

Home health providers face unique challenges. Industry forces, changing legislation and a complex Medicare Part A reimbursement system have resulted in escalating AR days, a surge in claim volume, declining reimbursement and heightened documentation and compliance scrutiny.

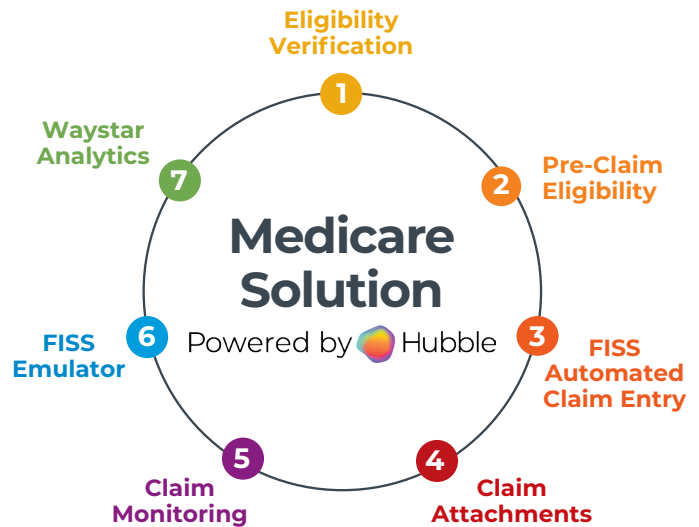

Faster, more efficient Medicare reimbursement with fewer denials

Harness the power of Hubble, Waystar's artificial intelligence and robotic process automation platform, to optimize Medicare Part A claim submission + reimbursement.

Faster, maximized reimbursement happens with streamlined, automated FISS integration. Tailored to the unique needs of home health providers, Waystar's Medicare Solution Suite optimizes workflows across the rev cycle and delivers seamless claim + reimbursement capabilities.

Seamless end-to-end automation powered by Hubble

- **Gain real-time Medicare Part A performance insight** with KPI-driven analytics, dashboards + reports
- **View accurate, real-time episodic care and benefit period details** with flexible service type code search options
- **Enable powerful pre-claim eligibility checks** to prevent denials before they happen
- **Bypass MACs and get paid faster** with automated FISS claim entry powered by Hubble
- **Optimize efficiency** with electronic claim attachment submissions
- **Elevate transparency** with automated claim status checks powered by Hubble
- **Streamline claim edits + corrections** with seamless direct access to FISS

Ready to accelerate and maximize Medicare Part A reimbursement?
