

MEDICARE ENTERPRISE FROM WAYSTAR

Medicare claim management has never been this simple

Looking for an easier way to manage Medicare claims? You have the ability to switch.

With Medicare Enterprise from Waystar, you can automate workflows, maintain compliance and get paid faster and more fully than ever before. Discover how efficient and transparent claim workflows can be when all your tools and analytics are on one unified platform—working in harmony. Between our seamless implementation process, white-glove client support and direct, high-speed connection to Medicare FISS, you'll see Waystar isn't just another clearinghouse.

25%–50%
**Reduce Medicare
AR days by 25%–50%
in 6 months**

 WAYSTAR	OTHER CLEARINGHOUSES
Simple onboarding + user interface, no need to navigate complicated external FISS interface	Complicated user interface for direct connection to FISS that's not fully integrated
Manage all commercial + Medicare claims through a unified platform	Internal data silos are created by having to log into a separate platform for Medicare
Proactively helps providers avoid financial penalties through multiple, on-demand reporting tools	Providers must stay up to date with complicated, constantly changing Medicare regulations
Track, fix + submit claims in real time via direct connection to Medicare FISS	Live editing not supported + adjudication cycles are restarted when claim corrections are resubmitted extending AR days
No hidden costs or fees , with full transparency into what you're paying for	Lack of visibility into contracts + fees
Award-winning customer support	Disappointing customer service
Intuitive, pre-built tracking + reporting	Tracking + reporting must be set up manually
