Our platform draws on the latest technology to simplify eligibility verification and payment processes, helps patients understand financial responsibility and gives providers visibility into agency performance, propensity to pay and more.

Patient Financial Experience

Help patients take control of their financials with easy-to-read electronic statements and flexible payment options. Reduce bad debt, improve 501r compliance and increase up-front self-pay revenue with Waystar's Patient Financial Experience. Delivering deeper insights into propensity to pay and presumptive charity care screening, our platform can increase patient pay collections 10-30%.

Agency Manager

Get the most efficient way to manage outsourced self-pay collections. Offering detailed insight into agency performance so you can target areas for improvement, Agency Manager can help you grow collections 10-15% and ensure vendors are paid exactly what they're owed.

Eligibility

Our industry-leading coverage detection technology helps identify coverage you might otherwise overlook.

Reduce AR days, prevent denials, increase POS collections and reduce patient debt with Eligibility from Waystar.
