

# Transfer DRG

Currently, does your organization...

With Waystar:

Have to generate and send your Medicare data files to your vendor?

Zero data files are required from you. We've got it handled.

Have to give your patients' medical records to your vendor?

With us, no medical records are required. We use Medicare's CWF as a source of truth.

Use a CMS NSV with direct access to your transfer DRG claims?

As an approved CMS NSV, we have access ALL to ALL your Medicare claims data.

Use a vendor that focuses on recovering reimbursement for high-dollar claims only?

Waystar guarantees you total recovery – we easily find both high and low-dollar claims, which makes a huge difference in your overall revenue health.

Employ individuals or teams to update claims manually?

We make changes to claims on your behalf using our proprietary technology and access to Medicare's FISS system.

Endure a potentially lengthy waiting period to receive reimbursement you're owed?

As an approved CMS NSV, we have access ALL to ALL your Medicare claims data.
